Electrical

Light-Duty Package - \$475*

- One light, outlet, and switch

Normal Package - \$1,155*

- Interior & exterior light
- 4 outlets, 2 switches
- New "dedicated" 20 amp circuit at main panel
- Ideal for use as a workshop, art studio, home office, etc.

*All work is permitted and inspected. Prices plus permit fee and connection costs.

Foundation Options

Basic sheds 120 sq. ft. or smaller usually do not require a foundation. However we recommend any shed with a "house" door to have a slab or other firm footing. Cities typically require sheds larger than 120 sq. ft. to have a foundation. We offer several foundation options. Costs vary with each situation. Price will be quoted after an on-site consultation.

Service Options

Tear down & remove metal shed *will quote*

Travel charge to secondary service area \$100 min.

Move shed in yard *will quote*

House Doors

Available on Tall Rustic

9-Light Door \$455

6-Panel Door \$355

Slab Base: Because door issues are likely to develop due to uneven settling over bare dirt, we strongly recommend sheds with "house" doors be placed on a slab or other firm footing.
